Pavement Exposition 2012

YOU ARE INVITED

EXPO SCHEDULE

LOCATIONS / BUS PICK-UP AND DROP-OFF

THURSDAY, MARCH 22, 2012

Pavement EXPO is exclusively for YOU! The EXPO is being held by invitation only. There are a limited number of seats available and they will be available on a first-come, first-served basis. Please mail your RSVP early.

Graniterock is pleased to offer a highly informative day that is absolutely **FREE**. You have been invited to be one of a select few to hear road materials experts deliver high-powered seminars that address issues, questions and situations you face on the job everyday. There will be several demonstration booths that will provide ongoing hands-on activities.

The Pavement Expo will begin promptly at 8:30am with a tour of the A.R. Wilson Quarry. A continental breakfast will be served at 8:45am.

In response to your input at previous Expos, we will be hosting a **tour of the A.R. Wilson Quarry** at this year's Expo. The A.R. Wilson Quarry has been in continuous operation since February 14, 1900. It is the largest hard rock quarry west of the Mississippi, and is home to one of the world's largest rubber-tired mobile crushers.

Please bring your hard hat with you if you have one.

7:00am	Bus Leaves Redwood City
7:30am	Bus Leaves San Jose
