You are cordially invited to attend
Friday, February 22, 2013
To be held at:
Embassy Suites on Monterey Bay
1441 Canyon Del Rey Blvd. Seaside, CA 93955

This year’s Graniterock Contractor EXPO will be exclusively for The Architect, The Designer, The Professional Contractor, The Professional Tradesmen, for YOU! The Contractor EXPO 2013 is being held by invitation only. There are a limited number of seats available and they will be available on a first-come, first-served basis. Please, send your RSVP in early.

Graniterock is pleased to offer a highly informative day that is absolutely free. You have been invited to be one of a select few to hear experts in the field deliver high-powered seminars that address issues, questions and situations you face on the job every day. This year you will find a significantly larger number of product exhibitors in the Laguna Grande Ballroom. Choose from the informational seminars listed inside to attend throughout the day, and at your leisure, visit the more than 40 vendor booths in the Ballroom.

You will come away with the knowledge to do a better job, to enhance your skills and the keys to help you be a success!

These will be the booths that are available throughout the day in the Laguna Grande Ballroom.
